What is CEA – Wisconsin

An organization comprised of educational professionals and others who are dedicated to the promotion of quality education and training of the offender population of Wisconsin and the advancement of professionalism among our members.
Goals of CEA - Wisconsin

🔹 To increase the effectiveness, expertise, and skills of its members.

🔹 To involve its members in an active and supportive network of professionals who are leaders in the field of correctional education.

🔹 To help increase the quality of educational programs and service through technical assistance as well as advocacy.

🔹 To offer timely and practical information to fellow staff members.

🔹 To represent the collective interest of correctional education before the government, the press, and the public on the national as well as on state, provincial, and local levels.
CEA Membership will help you

- Increase your effectiveness, expertise, and skills
- Be involved in an active support network of professionals
- By providing you with technical assistance and advocacy
- Represent correctional education before the government, the press, and the public
Our Objectives

- Promote the interest of correctional education at the state, regional, and national level
- Improve the professional status and public image of correctional education
- Provide and develop effective leadership within the profession
- Promote contacts with other professional educational and correctional organizations at local, state, and national levels
- Commit ourselves to innovation in education
- Assist incarcerated youth and adults to equip themselves for lives as responsible members of society
- Report to the membership the activities of conferences, workshops, and pertinent research and literature

We Are Those Who

* accept the task, fully knowing the obstacles are great
* lead the way
* provide the only opportunity for positive change
* move a mountain with a shovel
We Are Unique

☆ One good teacher makes the difference between a life of crime and a productive tax-paying member of society
☆ The difference we make today will affect a thousand tomorrows
☆ We may be this student’s last and only hope
